PRESS RELEASE

53 Italian companies attending the Investor Conference "Mid & Small 2021", London edition, which represents the excellence of Italy

888 virtual meetings organised with 163 investors and analysts registered (64% from outside Italy), representing 102 financial institutions

New investors at their first time in Italy to meet SMEs

Milan, 20 April 2021 – The three days of virtual meetings of the Investor Conference **"Mid & Small 2021"**, organised by **Virgilio IR** with the sponsorship of **Mediobanca**, the support of leading Italian and international brokers and the collaboration of Barabino & Partners, kicks off today, 20 April 2020.

A total of 53 companies (up from 41 attending the 2020 edition) will address an international audience of investors, who are increasingly attentive to the prospects of medium-sized companies in terms of business development and sustainability.

The closing of the agendas occurred yesterday, confirmed 888 virtual meetings, with an average of 17 contacts per broadcaster.

102 financial companies are attending - including investment houses, 93, and brokers, 9 - for a total of 163 professionals who have requested individual (one-to-one) or small group meetings with the companies' top management. These included a number of large historical firms and some investment companies participating for the first time in an event dedicated to Italian mid-cap.

The following companies have joined the **"Mid & Small 2021"**, London edition: **Alkemy, Almawave, B&C Speakers, Banca Sistema, BB Biotech, BE Shaping the Future, Borgosesia, Coima Res, Comer Industries, Creatives Group, Credem, Digital 360, Digitouch, DHH, Esprinet, Expert.AI, Farmaè, First Capital, FNM, GPI, Grifal, Guala Closures, Health Italia, Igeamed, Interpump Group, Intred, ITway, La Doria, Labomar, Landi Renzo, LU-VE, LVenture Group, Mailup, NB Aurora, Neodecortech, Newlat Food, Orsero, Osai AS, Prima Industrie, Promotica, Relatech, Reply, Salcef Group, Sanlorenzo, Seri Industrial, SeSa, Somec Group, Sourcesense, Tenax, Tinexta, Unidata, Valsoia and Zignago Vetro.**

"Once again this year our companies have gathered great interest from the investor community" said **Pietro Barbi, founder and CEO of Virgilio IR**, "but our goal remains to bring them again physically to the most important international markets. We were the first company in Italy to

convert an investor conference on a digital platform because of the health emergency, but we recognise the great value of relationships, informal exchanges and the opportunities that arise from them".

"In addition, we are particularly pleased with the fact that this spring event is now an eagerly awaited and consolidated moment in the agendas of both companies and investors. In both sectors, there have been important confirmations from one year to year, as well as some very exciting new entries".

The brokers who contributed to organise the meetings of the 2021 edition are:

- Alantra
- Banca Akros
- Banca Finnat
- Cfo Sim
- Integrae SIM
- Intermonte
- Mediobanca
- Stifel Europe Bank

Virgilio IR has been carrying out for years initiatives dedicated to listed companies in the Mid and Small Cap area. The aim is to organise a circuit of recurring events in the major European markets, dedicated to medium and small capitalisation companies and to international institutional investors.
